<b>Brief Description of Activity</b>	<p>In February, 2009, a two day National Youth dialogue session was held with focus on the National Youth Policy, Youth Livelihood support and the formation of the National Youth Commission. A Taskforce was established and headed by the Vice President, Hon. Sam Sumana. The exercise has come to fruition and now a draft bill has been released for tabling to Parliament to be made into law.</p> <p>This activity therefore is a follow-up from the previous session. and it will give an opportunity to the youth and other stakeholders; with technical support from legal luminary; to discuss and clarify or adjust the bill to portray the interest of youth before submission to Parliament.</p>
